

WINE & SPIRITS SOLUTIONS

JTS Johanson
Transportation Service

Offering the finest in customer service to North America's wine and spirits industry.

Some of the nation's largest wineries, distillers, wholesalers and distributors of wine, beer, liquor and hard seltzers have built trusting relationships with JTS to provide full logistics solutions that help bring their products to the retail market. Our commitment to the wine and spirits industry translates into customer confidence and peace of mind.

Longevity and experience you can trust

A third-party logistics provider, licensed property broker, licensed ocean freight forwarder and NVOCC, JTS has been in business since 1971, so you can depend on our experience, financial strength and soundness.

Service excellence with personal attention

We provide friendly, personal attention 24/7 as we respond to your questions and any issues that may arise. Our team of experts help protect your wine and spirits shipments and simplify the process with every load you entrust to us:

- Monitor all pick-ups, convey loading instructions.
- Maintain contact with carriers to confirm your freight arrives safely and on-time.
- Negotiate the best carrier rates possible to increase your profitability.
- Support and enforce your seal policies.
- Simplified billing, claims filing, and processing.

Although we have offices located near the heart of wine country to support our west coast customers, we also offer early morning hours, which start at 6:00 a.m. PST to serve our eastern clients.

Customized, multi-modal freight options

We offer individualized freight solutions to meet your domestic and global logistics needs:

- Full Truckload
- Rail Intermodal
- Import/export
- Transloading
- Less-than-Truckload
- Air and Ocean freight
- Drayage
- Cross-docking

Only qualified carriers move your shipments

You can trust that only qualified carriers are moving your freight. Our Carrier Relations team pre-qualifies all carriers before loading:

- Verify operating authority and carrier insurance.
- Check safety ratings and references.

As a CargoNet member, we track fraudulent activity in the marketplace to safeguard your freight from theft and fraud.

- Won Best in Cargo Security Award 2018 (Mid-size Broker)
- Won Best in Cargo Security Award 2016 (Small Broker)

Continuous development and investment in technology

At JTS, the evolution of technology is always moving forward. We make investments to offer the most advanced features possible.

As a value-added benefit of partnering with JTS, we offer our cloud-based TMS, **arriviture**®, to our customers at no cost. The system is powered by MacroPoint®, project 44®, SMC3®, CLOUDFLARE®, Atmosera®, PCMiller®, DAT®, and Microsoft® Azure™.
