

Bakery Solutions

Due to outstanding customer service, our popularity is on the rise.

Our long-standing, successful business relationships with the nation's top food and food ingredient companies have made JTS a trusted provider of full logistics solutions to deliver fresh and frozen foods between manufacturers, distribution centers and warehouses quickly and cost-effectively. So you can be confident JTS will know what is important when delivering your bakery goods.

As a third-party logistics provider since 1971, JTS offers unmatched, highly personalized, hands-on service and EXPERIENCE in shipping dry and perishable food products. Our knowledgeable staff confirms your deliveries are done in a safe and timely manner. JTS will also monitor all pickups, convey loading instructions, and maintain communications with carriers to confirm that on-time performance standards are met.

Offering complete solutions for bakery shippers in a one-stop shop, we are qualified to bring your goods to market. Our cost-effective service, supported by a

full range of domestic and international solutions, provide additional value. We use reliable carriers and have a variety of transportation modes to choose from.

Our reputation is built on INTEGRITY, serving you with a level of reliability that gives peace of mind when you entrust us with your freight. JTS strives to resolve issues, eliminate claims and mitigate complications through personnel accountability and an adherence to policies that safeguard your shipments.

- Dry and temperature-controlled trailers and containers available for Full Truckload, LTL, rail/intermodal, air and ocean freight.
- Daily tracing of all shipments and web-based visibility into freight orders from start to finish.
- Negotiating the best rates possible on your behalf.
- 24/7, reliable customer service.
- Dedicated Carrier Relations Department verifies only qualified carriers are used, protecting the shipper's interests.

Bakery Solutions

At JTS we exemplify our GRATITUDE to our industry partners by providing customer-focused technology solutions to ensure satisfaction, including customized reports, EDI order processing, TMS, and JTS Interactive Services – where shippers and carriers can track all shipments and view accounts payable status.

RESPECT is earned with every shipment we manage, and we've established a proven track record by providing a level of dedicated service unmatched in the industry. This respect has earned us the continued business of the nation's food shippers.

JTS has earned credibility by partnering with several trade associations so we stay on top of the latest trends in the industries we serve.

- ASTA (American Spice Trade Association)
- CLFP (California League of Food Processors)
- IANA (Intermodal Association of North America)
- IDFA (International Dairy Foods Association)
- NITL (National Industrial Transportation League)
- TFFA (Texas Food Processors Association)
- TIA (Transportation Intermediaries Association)
