

Forest & Paper Product Solutions

Building a solid reputation on great customer service.

When you need forestry and paper products transferred from manufacturing plants to retail centers, packaging facilities and processing plants, turn to JTS.

With two offices located in the Pacific Northwest and five other locations around the country, we specialize in domestic and international shipments of forestry and paper goods, including:

- ✓ Lumber, plywood, veneers and other building materials
- ✓ Packaging
- ✓ Printing stock
- ✓ Paper rolls
- ✓ Pallet loads
- ✓ Pallet stock
- ✓ Recycled paper

Whether you need dedicated dock-to-dock, port-to-port, or dock-to-port solutions, your goods are sent directly with no handling en route, so the risk of damage is greatly

minimized. If you want your bulk freight to arrive as quickly as possible and at the most competitive price, JTS can match you up with a reliable Full Truckload carrier.

As a third-party logistics provider since 1971, JTS offers superior EXPERIENCE in the lumber and paper product industry. We are qualified to offer complete solutions to meet your needs, including LTL, rail/intermodal, air and ocean freight customized to your needs.

JTS provides one-stop shopping for all your logistics requirements. Our cost-effective solutions, supported by a full range of services, provide additional value for your supply chain.

Our reputation is built on INTEGRITY, serving you with a level of reliability that gives you peace of mind when you entrust us with your freight. JTS strives to resolve issues, eliminate claims and mitigate complications through personnel accountability and an adherence to policies which safeguard your shipments.

- Daily tracing of all shipments and web-based visibility into freight orders from start to finish.
- Negotiating the best rates possible.
- 24/7, reliable customer service.
- Dedicated Carrier Relations Department verifies only qualified carriers are used, protecting the shipper's interests.

Forest & Paper Product Solutions

At JTS we exemplify our GRATITUDE to our industry partners by providing customer-focused technology solutions including customized reports, EDI order processing, TMS, and an interactive tracking website for customers and carriers. JTS will also monitor all pickups, convey loading instructions, and maintain communication with carriers to confirm that on-time performance standards are met.

RESPECT is earned with every shipment we manage, and we've established a proven track record by providing a level of dedicated service unmatched in the transportation industry. This respect has earned us the continued business of the nation's top forestry and paper product companies.

JTS has earned credibility by partnering with several trade associations so we stay on top of the latest trends in the transportation industry.

- TIA (Transportation Intermediaries Association) – member since 1979
- NITL (National Industrial Transportation League)
- IANA (Intermodal Association of North America)
