

Non-Perishable Solutions.

Dry runs done daily. Done right.

Dock-to-dock, port-to-port, dock-to-port. Our experienced Non-Perishable team will arrange the transport of your dry foods and ingredients, household and retail products, raw materials, energy products and other dry goods anywhere in the world – safely, on-time, and as cost-effectively as possible.

JTS' experienced team confirms your dry goods are handled and delivered to the delivery dock safely and on time. With a variety of transportation modes to choose from, we use reliable carriers and will support and enforce your seal policy for food grade products.

JTS will also monitor all pickups, convey loading instructions, and maintain communication with carriers to confirm that on-time performance standards are met.

Our reputation is built on INTEGRITY, serving our customers with a level of reliability that gives total piece of mind when you entrust us with your dry freight. We strive to exceed our customers' expectations when delivering domestically or abroad - especially during seasonal peaks when demand increases. JTS works hard to resolve issues, eliminate claims and mitigate complications through personnel accountability and policies that safeguard your shipments.

- Dry trailers and containers available for Full Truckload, Less-Than-Truckload, air, rail/intermodal and ocean freight.
- Daily tracing of all shipments and web-based visibility into freight orders from start to finish.
- Negotiating the best rates possible.
- 24/7, reliable customer service.
- Seal policies supported and enforced.
- Dedicated Carrier Relations department verifies only qualified carriers are used, protecting the shipper's interests.
- State-of-the-art technology solutions, including EDI order processing, TMS, JTS Interactive Services and customized reports.
