JTS TECHNOLOGY DEPARTMENT EXPANDING STAFF

(Fresno, CA) February 18, 2016 -- Johanson Transportation Service, a leading third-party logistics provider, announces the hiring of Jonathan Lewis as Web Developer and the promotion of Steve Hankel to IT Project Manager.

Lewis will focus on web development, including the company's cloud-based Transportation Management System and the JTS Interactive Services website. He has 20 years of experience in software development and has a B.S. in Computer Information Systems.

Hankel will be tasked with managing all projects for the JTS information technology department. He has been with JTS since 2010.

About JTS (Johanson Transportation Service):

JTS is a third-party solutions provider, licensed property broker, licensed ocean freight forwarder, and NVOCC. We help companies manage their supply chain with Justified Timely Solutions® that meet their unique business challenges. With a network of truck, air, ocean and rail intermodal transportation, JTS provides a full portfolio of domestic and international services, including logistics management, consulting and state-of-the-art technology systems with online tools to facilitate seamless supply-chain communications for its customers. JTS is headquartered in Fresno, CA and has five regional offices in the United States: Roseville, CA; Tigard, OR; Salem, OR; Madison, WI; and, Denville, NJ. www.johansontrans.com
