

## Seafood Solutions

**When you want great service, we're a good catch.**

**For fisherman, distributors, importers, exporters and wholesalers of quality seafood products, JTS is the supply chain provider of choice for moving virtually any fresh or frozen seafood products to your grocer, restaurant, processing and food manufacturing partners.**

As a third-party supply chain solution provider since 1971, JTS offers superior EXPERIENCE and highly personalized, hands-on service in seafood shipments. Our knowledgeable staff confirms your deliveries are done in a safe and timely manner from harvest to shelf. JTS will also monitor all pickups, convey loading instructions, and maintain communication with carriers to confirm that on-time performance standards are met. We use reliable carriers and have a variety of transportation modes to choose from.

JTS provides one-stop shopping for all your logistics requirements. Our cost-effective solutions, supported by a full range of services, provide additional value for your supply chain.

Our reputation is built on INTEGRITY, serving you with a level of reliability that gives peace of mind when you entrust us with your freight. JTS strives to resolve issues, eliminate claims and mitigate complications through personnel accountability and an adherence to policies which safeguard your shipments.

- Temperature-controlled trailers and containers available for Full Truckload, LTL, air, rail/intermodal and ocean freight.
- Daily tracing of all shipments and web-based visibility into freight orders from start to finish.
- Negotiating the best rates possible.
- 24/7, reliable customer service.
- Dedicated Carrier Relations Department verifies only qualified carriers are used, protecting the shipper's interests.

At JTS we exemplify our GRATITUDE to our industry partners by providing customer-focused technology solutions including customized reports, EDI order processing, TMS, and JTS Interactive Services which allows customers to track shipments online.

RESPECT is earned with every shipment we manage, and we've established a proven track record by providing a level of dedicated service unmatched in the food transportation industry.
