

Spice & Food Ingredient Solutions

Leverage our seasoned professionals.

For producers of spices and food ingredients, JTS is the 3PL of choice for all your supply chain needs when shipping commodities to retailers, processing plants and food manufacturers.

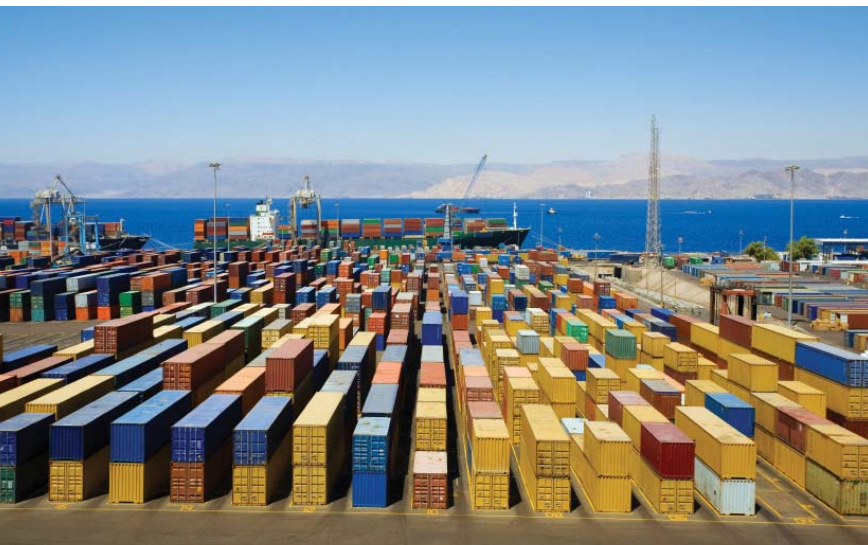

As a third-party supply chain solution provider since 1971, JTS offers personalized, hands-on service and EXPERIENCE in shipping dry and perishable food ingredient and spice goods. Our knowledgeable staff confirms your deliveries are done in a safe and timely manner. We use reliable carriers, and we have a variety of transportation modes to choose from. JTS offers one-stop shopping for all your logistics needs. Our cost-effective services, supported by a full range of domestic and international solutions, provide additional value for your supply chain. We are qualified to offer complete solutions to meet the needs of the spice and food ingredients industry.

Our reputation is built on INTEGRITY, serving you with a level of reliability that gives total piece of mind when you entrust us with your freight.

We monitor all pickups, convey loading instructions, and maintain communication with carriers to confirm that on-time performance standards are met.

JTS strives to resolve issues, eliminate claims and mitigate complications through personnel accountability and an adherence to policies which safeguard your shipments.

- Both dry and temperature-controlled trailers and containers are available for Full Truckload, Less-than-Truckload, rail/intermodal, air and ocean freight.
- Daily tracing of all shipments and web-based visibility into freight orders from start to finish.
- Negotiating the best rate possible.
- 24/7, reliable customer service.
- Seal policies are supported and enforced.
- Dedicated Carrier Relations department verifies only qualified carriers are used, protecting the shipper's interests.

Spice & Food Ingredient Solutions

At JTS, we exemplify our GRATITUDE to our food ingredient and spice industry partners by offering customer-focused technology solutions to ensure satisfaction, including custom reports, EDI order processing, TMS, and JTS Interactive Services, which allows carriers and customers to track freight orders.

RESPECT is earned with each and every shipment we manage, and we've established a proven track record by providing a level of dedicated service unmatched in the transportation industry. This respect has earned us the continued business of the nation's top food and spice producers.

And finally, JTS has earned credibility by partnering with several trade associations so we stay on top of the latest developments in the industries we serve.
