

Wine & Spirits Solutions

Delivering the finest in customer service to North America's alcoholic beverage industry.

Some of the nation's largest wineries, distillers, wholesalers and distributors of wine, beer and liquor have built trusting relationships with JTS to provide full logistics solutions that help bring alcoholic beverages to the retail market. Our commitment to the wine and spirits market translates into customer confidence and peace of mind.

A third party supply chain solution provider since 1971, JTS offers superior, highly personalized, hands on service and EXPERIENCE in wine and spirit shipments. Our knowledgeable staff confirms your deliveries are done in a safe and timely manner. We use reliable carriers and offer a variety of transportation modes to choose from. We also monitor all pickups, convey loading instructions, and maintain communication with carriers to confirm that on-time performance standards are met.

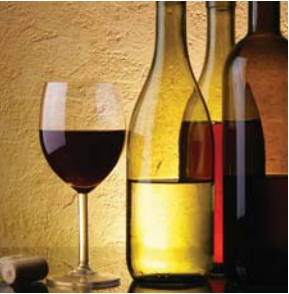

With four of our seven national branches located on the west coast, including Northern California, we can support your needs, including early hours of operation for east coast customers.

JTS provides one-stop shopping for all your logistics requirements. Our cost-effective solutions, supported by a full range of domestic and international services, provide additional value for our customers' supply chains. We offer complete solutions

to meet the needs of the wine and spirits industry and are qualified to deliver alcoholic beverages to market.

Our reputation is built on INTEGRITY, serving our customers with a level of reliability that gives total peace of mind when you entrust us with your freight. JTS strives to resolve issues, eliminate claims and mitigate complications through personnel accountability and an adherence to policies which safeguard your beverage shipments.

- Both dry and temperature-controlled trailers and containers for Full Truckload, Less than Truckload, rail/intermodal, air, and ocean freight.
- Daily tracing of all shipments and web-based visibility into freight orders from start to finish.
